

Major Points About Christmas

1. Names

Christmas – Chistes Maesse – The Mass of Christ – Pope Julius I named it. Mass – Transubstantiation – The magical changing of the elements (so called) into the literal body of Christ or as Romanism says “Real Presence” – It is against the law of God to eat human flesh (**Leviticus 17:11**).

2. Dates

312 A.D. – Malvian Bridge – Constantine conquers Maxentius taking over the entire eastern and western empire. He issues the Edict of Toleration which amalgamates Christianity and Paganism. This decree declares the freedom of Christians which here to fore had been fed to the lions and gladiators. Now they could own property and they would not be killed just for being a Christian.

324–25 A.D. – The Nicene Council meets. Constantine begins the Roman Catholic Church with the fire worship from the ancient world. He started the Mass (Christmass). He reached back to the ancient world of Babel (2500 B.C.) and brought the fire (sun) and tree worship into the Roman Catholic Church.

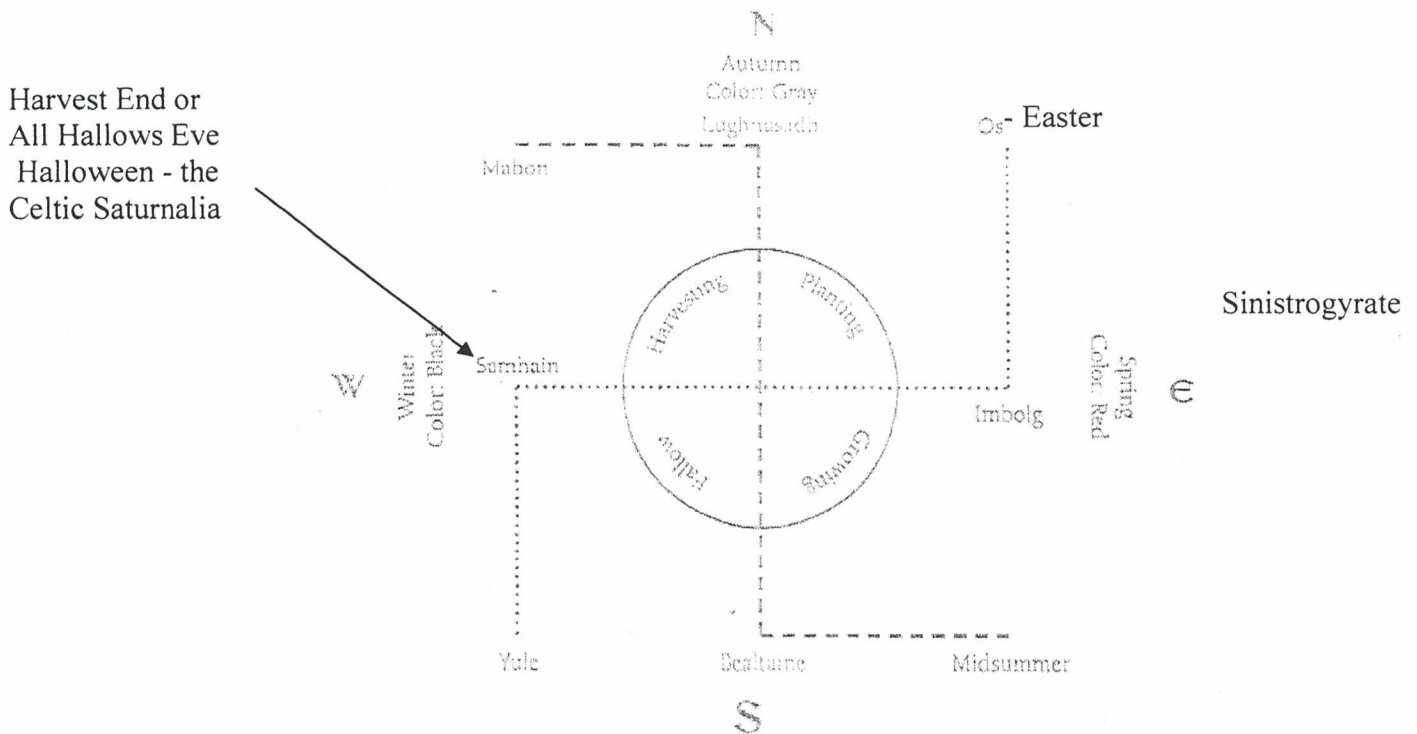

354 A.D. – Christmass hits the calendar for the first time.

1642 – The Puritans banned Christmas in England exacting penalties for its celebration coming to America in order to purify (thus Puritan) the church of all Roman Catholic practices. Christmas was outlawed in America.

December 25th – The most famous day in the ancient world, the birthday of Mithras, the chief Son god of Rome (he was called Hercules, Tammuz, Thor, Adonis, Achilles, etc. in various societies). The Israelites called him Baal. These were generic names for Nimrod, the founder of Babylon at Babel (**Genesis 10:10**).

3. Doctrine of Christmass – This beginning of the Babylon fire worship system was founded on the “**doctrine**” of “**Let us make us a name**” or **Pride**. This system of pride or self mothered all idol worship that has ever existed or that continues to pollute the world with the doctrine of “**self esteem**”. When man commits any sin he perpetrates his own doctrine of “**I will**” --- or **self will**, when God says, “**Thou shalt not,**” he says “**I will if I want to**”.
4. Babylon was not only the beginning of fire worship (Christmass), it was the beginning of demon worship after the flood. A demon was a god-man or a man who was a god or a deity (Hercules) and he was the champion of the people “**distributing their fortunes**” good or bad. Babylon was the beginning of Christmass (fire worship) and the demons which were called the child (Yule) of the sun.

5. The Swastika was originally called the Sun Wheel or Fire Wheel in the ancient world. It was the “**Wheel of the Year**” with the eight pagan fertility festivals. One of the points on the wheel was called Yule.

 Summer Arm is the broken line ♂ male sign

6. Saturn and the Sun were interchangeable in this sun/tree worship. Fire on the earth represented the sun.

Venus and the Moon were interchangeable in this pagan worship and were represented by a tree (Christmas Tree).

7. The Ancient Title of the Festival of The Mass (Christmass) was called The Saturnalia or Festival of Saturn. It began on **December 17th**, and went through **December 24th** where the Yule log was thrown on the fire. The pagans believed that during the winter solstice, the longest night of the year (approximately December 21st), that the sun was about to burn out in its yearly ecliptic path through the sky. They celebrated their fertility god, Saturn, during these 7 days finalizing this pagan festival of drunken revelry (and sexual party feast) by sacrificing a child (Yule means wheel or child). Throwing him into the fire on mother night (December 24) in the ancient world. The next morning this child sprung from the fire in the form of a tree and was said to be the giver (distributing fortunes – **daimonion**) of all divine gifts to men (hence the gifts under the tree). McClintock and Strong’s Encyclopedia tells us that the female tree deity was always represented in the form of a cone or triangle Δ. Layard of Layards Nineveh say that because the Babylonian gods ((Nimrod the Sun god and Semiramis,

his mother – Venus the Tree goddess) were deified in the stars, that a star was placed at the top of their figure or representation (remember, she was not represented in human form but in a triangle). Thus we have the very image of the Christmas Tree:

Yule was the virgin born son of Odin in the Scandinavian countries (Norway, Sweden, and Denmark). These countries were so far north and the cold was bitter - - the nights were long. These people considered the fir tree magical since it survived through these devastating winters. Therefore, they hung these perennial green trees, shrubs and holly in their homes and pagan temples when they gathered around the wassailing bowl in the drunken fire worship (probably a carry over of the bowl of Semiramis in The Two Babylons – page 5 – footnotes at bottom of page) and sing the pagan wassailing bowl song “Deck the Halls with Boughs of Holly...”.

This pagan fire worship infiltrated Northern Israel in **I Kings 16:31-33** when Ahab, King of Northern Israel married Jezebel the daughter of Ethbaal (The Prince of Tyre – **Ezekiel 28**). Ethbaal was a priest of Ashtoreth and a priest of Baal. Ashtoreth was a generic term for all the different tree deities (female counter parts and consort of Baal), such as Venus, Aphrodite, Mylitta, Dianna, etc. where Ethbaal ruled the Sun god was called Hercules and the tree deity was called Venus. Yes! Israel began (through Ahab & Jezebel) to establish Hercules and Venus as the national god and goddess of Israel. Elijah, the Tishbite, came before Jezebel and Ahab and began to proclaim the downfall of Israel when he prophesied no rain for 3 ½ years. After approximately 500 years of rebellion seeking this fire god Baal/Hercules and the Grove/Venus, God scattered Israel over the face of the earth (**II Kings 15-17, II Chronicles 36**) for 2600 years. These Christmass gods (Hercules and Venus) incurred the wrath of the living God through four judgments - **Sword** (war), **Famine** (no rain), **Pestilence** (disease), **Beast** (Babylon, Persia, Greece, Rome). When Israel continued rebelling, God had his fill and sent the Assyrians to scatter Northern Israel **II Kings 17** (722-21 B.C.) and the Babylonians (Nebuchadnezzar) in **II Chronicles 36** (586 B.C.). All prophecy in scripture concerning the 70 weeks of Daniel and the scattering and regathering of Israel has to do with their rebellion and repentance concerning these Sun (Hercules/Baal) and Moon (Venus/Grove) gods. If God will so destroy Israel, what does he have in store for America?

Leviticus 18:30 - “Therefore shall ye keep mine ordinance, that ye commit not *any one* of these abominable customs, which were committed before you, and that ye defile not yourselves therein: I *am* the LORD your God.”
